PROMISE INCREASED OUTPUT -- Moscow, Pravda, 5 Apr 51

The Stalinugol' and Artemugol' combines have made pledges for 1951 as follows:

1. Complete the year plan ahead of schedule and, in the case of the Stalinugol' Combine, to mine 250,000 tons of above-plan coal, including 150,000 tons of coking coal. In the case of the Artemugol' Combine, to mine 150,000 tons of above-plan coal including 70,000 tons of coking coal.
2. Increase labor productivity above the 1950 level 10.5 percent for the Stalinugol' Combine and 14.5 percent for the Artemugol' Combine.
3. By the end of 1951, convert to a cycle work schedule, completing one cycle each 24 hours, 50 percent of operating mine faces of the Stalinugol' Combine and 40 percent of operating faces of the Artemugol' Combine.
4. Raise the level of coal loading to 40 percent at faces of slightly dipping mines of the Stalinugol' Combine by increasing the number and the productivity of coal combines.
5. Complete the plan for capital construction by 21 December. Complete the plan for the construction of living quarters by 7 November and put into use 59,000 square meters of living quarters in the case of the Stalinugol' Combine and 29,000 square meters in the case of the Artemugol' Combine. Complete by 5 December the year plan for the construction of cultural and public buildings, and put into use 28 buildings in the case of the Stalinugol' Combine and seven in the case of the Artemugol' Combine.
6. Deliver 20 million rubles of above-plan accumulations in the case of the Stalinugol' Combine and 5 million rubles in the case of the Artemugol' Combine by lowering the production costs of coal and of products of the branch enterprises.

The Stalinshakhtostroy made pledges as follows to:

1. Complete the year plan for construction and assembly work by 21 December.
2. Put 17 coal mines and four coal-cleaning plants into operation during 1951.
3. Complete the year plan for the establishment of living quarters in September 1951.
4. Complete the year plan for the establishment of 94 cultural and public buildings by 5 December.
5. Increase labor productivity 10 percent above the level achieved in 1950.
6. Lower the costs of construction and deliver during the year 12 million rubles of above-plan savings.

AIM AT HIGHER PRODUCTION -- Moscow, Pravda, 15 Apr 51

The Voroshilovgardugol' Combine pledged during 1951 to do the following:

1. Complete the year plan ahead of schedule and mine 100,000 tons of above-plan coal, including 17,000 tons of coal for coking.
